

Brumby

THE ICONIC CAMPER
FOR EXTREME OFF ROAD

Whether it's Cape York or the Canning Stock Route – the Brumby has been there.

This is the camper Cub is known for – with good reason. It is built to cope with extreme outback conditions; with a rugged construction and compact body it can go places others can't. Also comes with independent suspension, galvanised chassis, and a 5-year warranty.

The hard floor keeps you high and dry, in the desert or the rainforest, and the 2017 model is packed with premium features. There's a new 3-burner Smev stove and kitchen with stylish glass lids, LED lighting, solar input, two 4Kg gas bottles, two 20L jerry can holders, 80L water tank, loads of power inclusions and more!

Note: 2017 model comes with steel pearl powder-coated body as standard.
