SPACIOUS OFF ROADER WITH ALL THE ESSENTIALS

Everything you need for an off-road adventure with family or friends.

This popular off-road model is ideal for the family, or couples who want that bit of extra room to move. You can easily tow the Escape behind a 4WD, and set up is quick and simple. The camper opens up to over 5 metres of living space – plenty of room for a swag, bunks or extra storage.

As well as fridge box, battery system and storage pantry, in 2017 the Escape comes standard with an extra gas bottle and jerry can holder, and a choice of queen or twin beds. A locker box with cushion gives you extra storage and seating.
