

# Frontier

OFF-ROAD  
HOME AWAY FROM HOME

*The only Australian-made forward fold camper on the market! Feature rich, with stacks of optional extras.*

The Frontier is more like a caravan than a camper – you’re sure to feel at home, even in the remote outback! The forward fold design makes set up quick and easy, even in a small space.

This camper is super spacious inside, sleeping four adults comfortably. The innovative, swivel-mounted dining table and lounge easily converts into a double bed. The kitchen features a fold-out shelf, Smev 3-burner stainless steel stove, and a stainless steel sink. There’s a luggage rack at the front of the trailer, and a 100L heavy duty water tank as standard – so there’s no need to use your storage space to carry water on those long trips.
