

Longreach

DEEP-SIDED
FAMILY
OFF ROADER

From Longreach to Mount Isa, Coober Pedy to Alice Springs, you'll always feel at home.

With its deep sides, the Longreach feels more like a caravan than a camper trailer. Stacks of storage space, and plenty of room on the hard floor for extra bunk beds. A deluxe awning, which doubles the living space, is standard. Yet it's lighter to tow than most caravans of comparable size. A win-win!

The queen size bed is a leg-stretching 2100mm, or choose twin beds for no extra cost. The 2017 model also comes in a brand new colour scheme, with refined electrics, extra gas bottle and jerry can holder and lots of optional extras including a privacy curtain, portable hot water with shower tent, and a stainless steel side shelf.
