

Overlander

FAMILY-SIZE
OFF ROADER

The name says it all – this roomy off-road camper is ideal for an overland family adventure.

Like all Cubs, Overlander set-up is quick and simple. And like our legendary Drover, the Overlander has 6 metres of living space, enough for a large family or group of friends. There's even room for the pets! Towing length is under 6 metres – so it is shorter and easier to tow than most caravans.

As of 2017, the queen-size bed is 2100mm long and twin beds can be fitted at no extra cost. We've upgraded the electrics, added an extra gas bottle and jerry can holder. Build your dream camper by adding optional extras like a 3-drawer cupboard, canvas front wall with window, portable hot water with shower tent and more.
