

Brumby

THE ICONIC CAMPER FOR
EXTREME OFF ROAD

Whether it's Cape York, the Birdsville Track, or the Canning Stock Route - the Brumby has been there many times.

Cub's most popular model the Brumby, is built to cope with extreme outback conditions, it's rugged construction and narrow body means it can go places many others can't.

Of course it comes with independent suspension, galvanised chassis, large fridge box, our top of the range kitchen and all the power inclusions you would expect.
