HOME AWAY FROM HOME

*With unique features such as a built in dinette and lounge (which converts to a bed), this new Cub has all the features that a family or couple will need for a weekend away or extended holiday.*

Here due to customer demand, the Cub Forward Fold has been in the R&D phase for the past 18 months and has a smaller footprint when set up.

With a caravan feel, it features a permanent table and chair for interior dining which converts to a double bed. This flexibility for extra accommodation means it's perfect for couples or small families.

With exceptional Cub re-sale value, Cub quality features such as after market service, quality components, exclusively Australian steel and fully Australian made tent using Australian canvas - you can rely on Cub.
