

Kakadu

CUB'S TOP OF THE RANGE
PREMIUM OFF-ROADER

Whether you are travelling across Australia with an open itinerary or heading up the coast for a long weekend – you'll do it in style if you're camping in a Kakadu.

The Kakadu is our top of the range off road camper trailer and represents our almost 50 years expertise, hard work and innovation in building camper trailers.

The Cub Kakadu is the consummate camper trailer option for off road devotees. The design allows an enormous amount of room when set up, whilst still being easy to tow to the most remote parts of the country. Of course, included is the innerspring mattress (queen or single bed option), Smev 3 burner stainless steel stove, 75 litre Evakool fridge in fridge box on draw bar, galvanised chassis and Redarc battery management system, amongst many other features.
